					age, habitat value, historical or aboriginal culture associations, or their contribution to landscape.
Social Inclusion Policy	05/10/09		Health, Aged & Community Planning Services	Policy	This Policy has been developed to provide a policy framework to cover Council's service planning and delivery, consultation, advocacy and community engagement work with specific population groups, particularly people with a disability, people from culturally and linguistically diverse backgrounds (CALD) and people from an Indigenous background. The Policy also supports and guides Council's work in other areas such as family and youth services, aged care, employment and the Neighbourhood Renewal program where there is a focus on equity and social justice.
Sporting Grounds Fees & Charges Policy	11/11/96		Leisure, Recreation & Cultural	Strategy	The policy is based on the principle that a genuine "partnership" between Council and sporting clubs should be fostered in order that a range of quality sporting opportunities can be offered to the community.
Sporting Pavilion Development Policy	20/04/09		Leisure, Recreation & Cultural	Policy	The policy will provide a framework for the allocation of capital works funding for sporting pavilion construction and redevelopment. The policy states Council's and sporting clubs' roles and responsibilities as well as the guidelines and procedures to enable Councillors, Officers and sporting clubs to plan for the future needs in the provision of sporting pavilions.
Sports Policy Principles	09/09/96		Leisure, Recreation & Cultural	Strategy	The process of developing a series of new sports related policies that will hopefully provide a logical, consistent and fair approach to sports administration throughout Banyule.
