

Better Score Household Energy Efficiency Upgrade Project Grants

2021/2022 Guidelines

Purpose

Banyule City council is committed to supporting the community in working towards carbon neutrality.

Banyule City council is committed to support the community in working towards carbon neutrality.

An initial \$50,000 has been allocated for the financial year 2021-22 to support the delivery of priority action 1.2 from the recently adopted Community Climate Action plan:

Examine a range of economic levers to support the uptake of energy efficiency measures for residents and business owners

Grant pool

Round 1 of the 2021-22, Better Score Program aims to fund a total of up to \$50,000 across all successful applications.

The maximum an individual grant can be awarded is \$1,500, this includes the cost of 2 energy audits plus an energy assessor report.

Eligible upgrades can be fully funded or partially funded up to 60% of the total invoice value.

Eligible applications will be awarded on a first in basis. Please Note that the project website will note when funding has been fully allocated and closed.

Successful applicants from the 2020 Better Score Energy Program are also eligible for the new round. Please note, first time applicants will be placed in higher priority queue for assessment.

\$50,000 available

Open 2 Aug 2021

Close 30 Jun 2022

The Better Score Energy Efficiency Upgrade Program (the Better Score Program) will offer up to \$1,500 for the implementation of energy efficiency upgrade initiatives identified in the Home Energy Audits (Victorian Household Energy Efficiency Scorecard Assessment). This could include upgrades: lighting, water and space heaters, building shell and solar systems.

These guidelines are provided for the Better Score Energy Efficiency Upgrade Program. banyule.vic.gov.au/energyUpgrades

Please see our website for details on other grant funding available at banyule.vic.gov.au/Council/Grants/

All Applicants are required to read the guidelines and contact our Community Energy Officer for questions before starting a submission.

To discuss your application, or receive more information please contact Micky Liu on 9433 7724 or email energy.info@banyule.vic.gov.au

Banyule City Council is committed to our grants process being open and accessible to everyone. If you are facing barriers to applying for any reason, please contact Banyule City Council to discuss how we may be able to support you.

Definitions

Scorecard Assessment

Scorecard is delivered by independent accredited assessors using the government-supported Scorecard webtool. The assessor rates the energy efficiency of your home's construction, fixed appliances, and other key features such as solar PV energy production. The Scorecard also rates how comfortable your home is in hot weather.

Variation Assessment

The process of updating existing scorecard assessment to obtain a new rating certificate after alternation/upgrade works for the property.
