The Banyule Art Collection is a contemporary collection of artworks by emerging and leading Australian artists.

The theme for Council's 2017 Arts & Culture Program is 'water'. To kick things off, the first exhibition for 2017 presents an aesthetic experience of the natural environment through a selection of artworks from the Banyule Art Collection, and a photographic exploration of water by Ivanhoe Photographic Society.

Opening: Wednesday 8 February, 6pm-8pm

Exhibition Dates: 9 February - 11 March 2017

Gallery Hours: Tuesday-Saturday, 10am-5pm
