

COMPLIANCE OF DRAINAGE AND *PAVING WORKS

This form **must be completed by a suitably qualified Engineer** (*preferably the Engineer who prepared the drainage and paving plans*) who has inspected the drainage and *paving for the development at the property listed below.

The Engineer must be satisfied the design intent of the Council approved paving and drainage plans has been achieved, including but not limited to;

- Stormwater drainage pit and pipe layout,
- Pit size and cover material,
- On-site stormwater detention (OSD) system, and
- *Pavement grading and cross-fall.

This certification does not cover issues of build quality or integrity and does not make liable the undersigned for any issues arising from poor workmanship or otherwise.

***Delete if paving/driveway not complete**

I _____ of _____
(Name) (Company Name)

declare that a site inspection has been undertaken at _____
(Development address)
