Greensborough War Memorial Park

Banyule's popular home of sports, recreation and Carols by Candlelight is being revitalised. Council is creating a new youth space and upgrading the public toilet at Greensborough War Memorial Park.

Local schools and sporting clubs have helped to shape the plan and we want to hear from the wider community too.

In separate works, the Greensborough War Memorial (below) is moving closer to the Home Front artworks area on Ester Street. I'm pictured with Greensborough RSL members.

Share your ideas for the youth space and public facilities by completing the survey by 15 March:

- Visit shaping.banyule.vic.gov.au/GWMP or
- contact OpenSpacePlanning@banyule.vic.gov.au or
- call **9422 6186** for a hard copy.
- Chat with Council staff at a drop-in session at Greensborough War Memorial Park (near the playground):
 - Saturday 21 February
11am - 12 noon
 - Tuesday 3 March
4pm - 5pm

Join the celebration!

Join us in a fun-packed community event to celebrate our new town square.

There will be live music, family activities and more.

We're enjoying our new space to meet, shop and relax in the heart of Watsonia - let's celebrate it together.

Check Council website and social media for more information closer to the date.

Watsonia Train Station update

The Victorian Government's Watsonia Station Urban Design and Landscape Plan (UDLP) is expected to be released for community consultation in March.

Council is advocating for an upgraded station precinct with better accessibility and connectivity across the rail line.
